

Index | Wealth Management

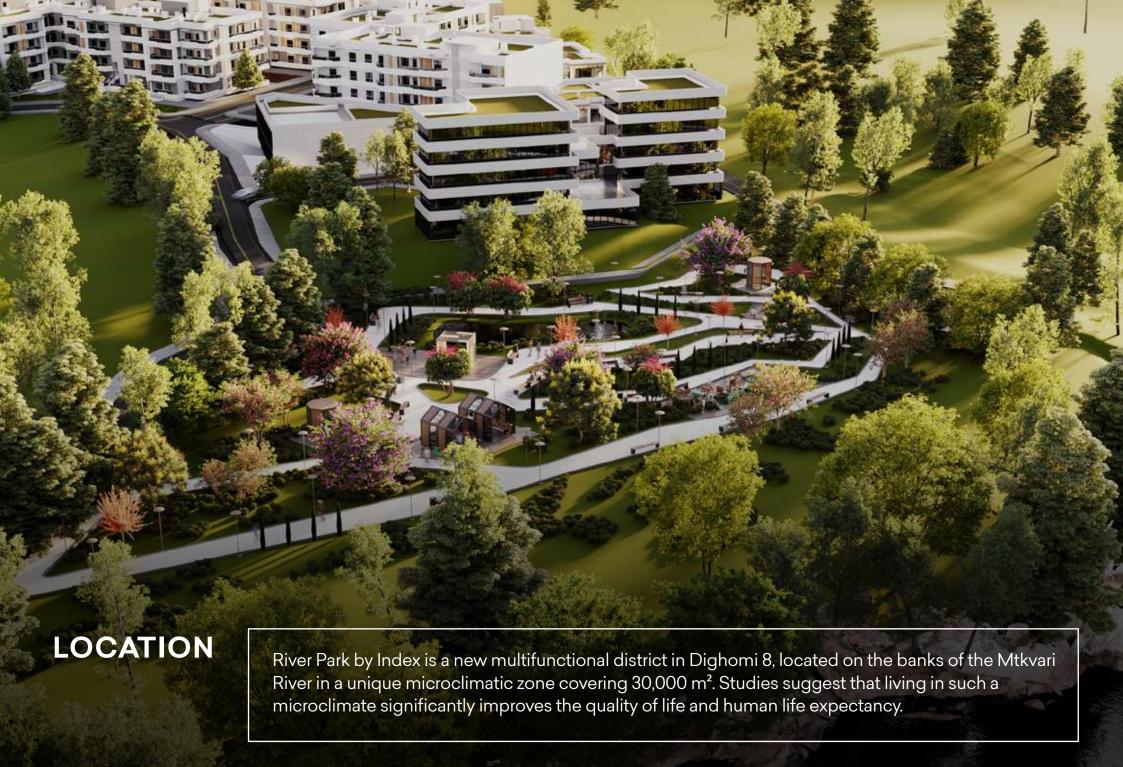

Index | Wealth Management is a real estate development and investment company that creates multifunctional projects in the most strategic locations of the city. With a focus on prime locations and exceptional quality, our projects are highly attractive for both residential living and investment purposes.

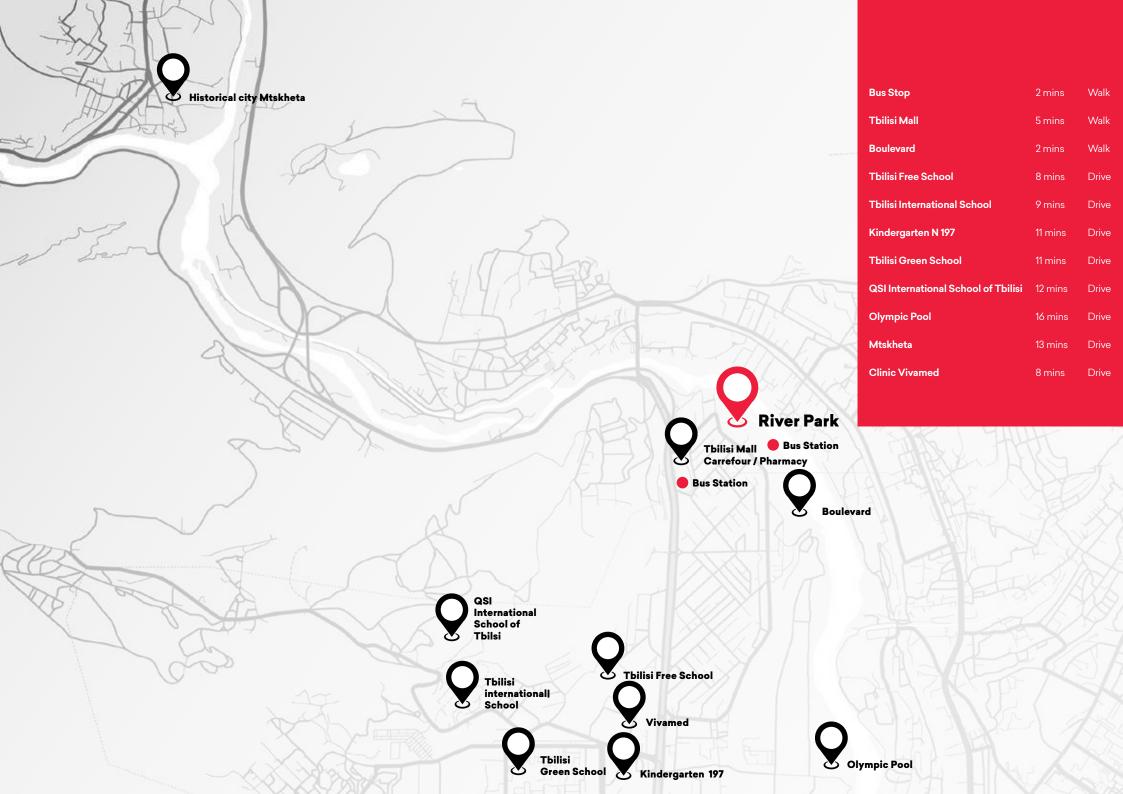

The company's portfolio includes five large-scale projects located in different districts of the city: Dighomi 8, Avlabari, Gldani, and Ortachala. The ongoing projects represent a total investment of \$120 million.

Index | Wealth Management is led by a team with 15 years of experience in the real estate sector, with a track record of completing approximately 20 projects.

We aim to share as much knowledge as possible with our clients about the real estate market, trends, and the essential factors they need to consider during the investment process. This information is developed based on in-depth research conducted by the company.

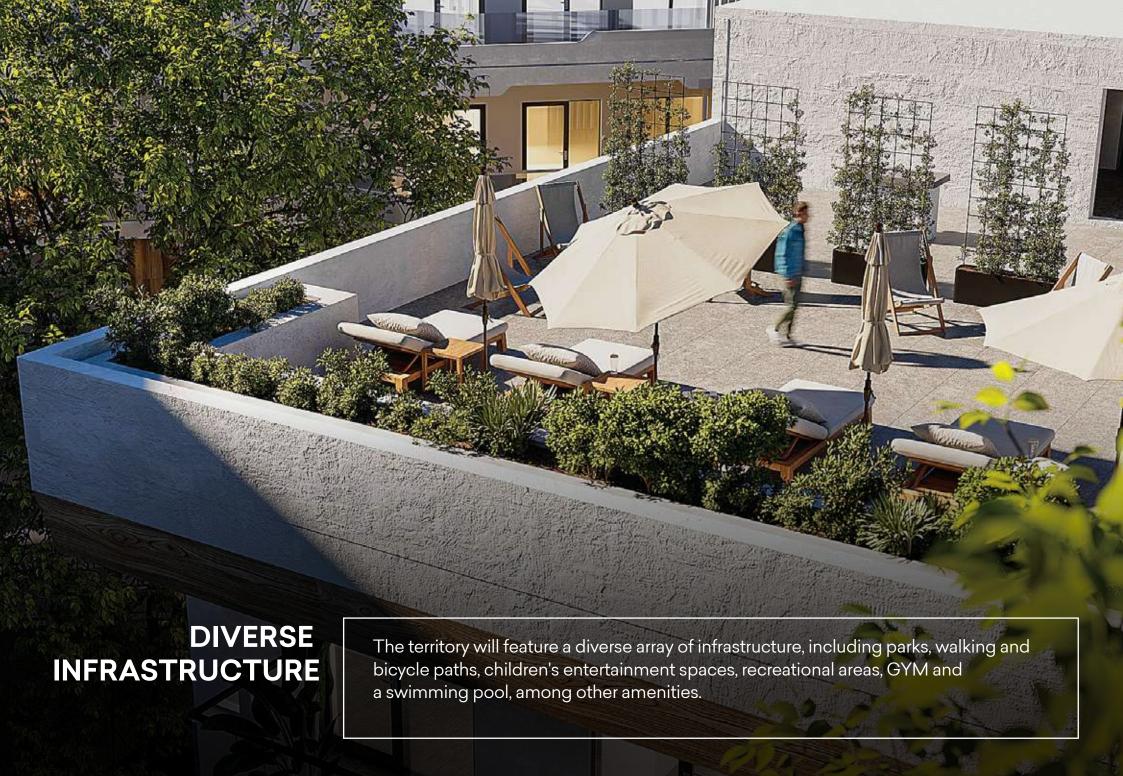

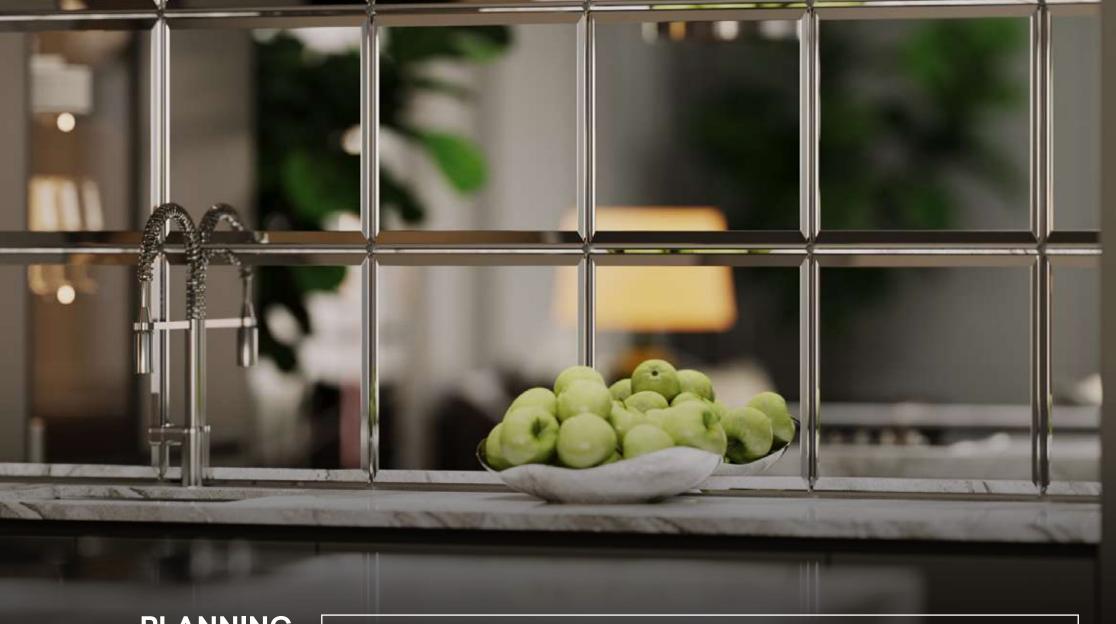

PLANNING OF APARTMENTS

In River Park, every detail has been meticulously considered to offer you a cozy and comfortable living experience. Each apartment in the complex is designed to ensure that even the smallest units are comfortable, functional, and tailored to the needs of their owners.

Terms of payment

At **Index I Wealth Management**, we make sure all our current projects are fully funded by TBC Bank, ensuring we meet all construction deadlines.

To guarantee quality construction, **Index | Wealth Management** utilizes high-quality European building materials for each development project, adhering to relevant standards.

In terms of financing, our team works hard to provide individually adjusted payment options for our customers. In this project, the down payment is 0%, customers don't have to make any upfront payments or take out bank loans to invest. Moreover, we offer an interest-free installment plan until the project is completed, allowing buyers to manage their finances according to their preferences.

Green Space Allocation

River Park project covers a total area of **30,000 m**².

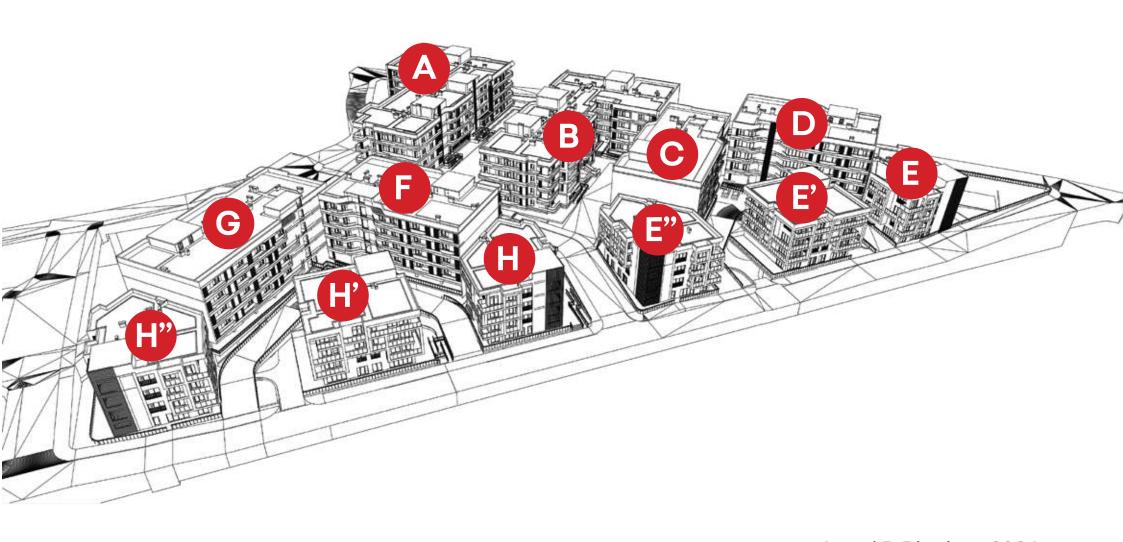

A significant portion, **8,900 m**², is dedicated to green spaces, ensuring a lush and sustainable environment for residents.

There will be **36.23 m**² of greenery and additional infrastructure per capita.

Exceeding WHO Standards

The WHO recommends a minimum of **9m**² of greenery per capita.

River Park's design ensures that per capita greenery and additional infrastructure will be 4 times the WHO's minimum recommendation, highlighting our commitment to enhancing quality of life and environmental sustainability.
